AMENDMENT TO H.R. 3962
OFFERED BY MR. WELCH OF VERMONT AND MR.
DEFAZIO OF OREGON

In section 1128H of the Social Security Act, as proposed to be inserted by section 1451(a), insert after subsection (e) [page 902, after line 19] the following (and redesignate subsequent provisions and cross-references thereto accordingly):

- 1 “(f) BAN ON GIFTS.—
- 2 “(1) IN GENERAL.—It is unlawful for any ap-
- 3 plicable manufacturer or distributor to offer or give
- 4 any gift (as defined in paragraph (2)) to a covered
- 5 recipient (or to an entity or individual at the request
- 6 of a covered recipient).
- 7 “(2) GIFT.—
- 8 “(A) IN GENERAL.—For purposes of para-
- 9 graph (1) and subject to subparagraph (B), the
- 10 term “gift” means any payment or transfer of
- 11 value described in subsection (g)(8) or anything
- 12 else of value.
- 13 “(B) EXCLUSIONS.—Such term does not
- 14 include the following:

1 “(i) A payment or transfer of value
2 described in subsection (g)(8)(C), except
3 that for purposes of this clause, in apply-
4 ing clause (i) of such subsection, ‘\$5’ shall
5 be deemed to be ‘\$10’.

6 “(ii) A gift provided to a covered re-
7 cipient if the covered recipient reimburses
8 the manufacturer for the cost at fair mar-
9 ket value.

10 “(iii) Charitable contributions to a
11 nonprofit covered recipient—

12 “(I) to fund health care provided
13 to a patient for free or on an income-
14 sensitive sliding scale basis;

15 “(II) for a charitable fundraising
16 event sponsored by a health care pro-
17 vider to benefit third-parties; or

18 “(III) to fund a fellowship or in-
19 ternship for a medical student or resi-
20 dent, as long as the fellowship or in-
21 ternship is not identified with the ap-
22 plicable manufacturer.

23 “(iv) Payment to the sponsor of a sig-
24 nificant educational, medical, scientific, or

1 policy-making conference or seminar, pro-
2 vided—

3 “(I) the payment is not made di-
4 rectly to a health care provider, unless
5 the provider is the sponsor;

6 “(II) funding is used solely for
7 bona fide educational purposes; and

8 “(III) all program content is ob-
9 jective, free from industry control,
10 and does not promote specific prod-
11 ucts.

12 “(v) Honoraria and payment of the
13 expenses of a health care professional who
14 serves on the faculty at a bona fide signifi-
15 cant educational, medical, scientific, or pol-
16 icy-making conference or seminar, pro-
17 vided—

18 “(I) there is an explicit contract
19 with specific deliverables which are re-
20 stricted to medical issues, not mar-
21 keting activities; and

22 “(II) the content of the presen-
23 tation, including slides and written
24 materials, is determined by the health
25 care professional.

1 “(vi) For a bona fide clinical trial—

2 “(I) direct salary support per
3 principal investigator and other health
4 care professionals per year; and

5 “(II) expenses paid on behalf of
6 investigators or other health care pro-
7 fessionals paid to review the clinical
8 trial.

9 “(vii) For a research project that con-
10 stitutes a systematic investigation, is de-
11 signed to develop or contribute to general
12 knowledge, and reasonably can be consid-
13 ered to be of significant interest or value
14 to scientists or health care professionals
15 working in the particular field of inquiry—

16 “(I) gross compensation;

17 “(II) direct salary support per
18 health care professional; and

19 “(III) expenses paid on behalf of
20 each health care professional.

21 “(viii) Payment or reimbursement for
22 the reasonable expenses, including travel
23 and lodging-related expenses, necessary for
24 technical training of individual health care
25 professionals on the use of a medical device

1 if the commitment to provide such ex-
2 penses and the amounts or categories of
3 reasonable expenses to be paid are de-
4 scribed in a written agreement between the
5 health care provider and the applicable
6 manufacturer.

7 “(ix) The provision, distribution, dis-
8 semination, or receipt of educational mate-
9 rials and consultation, including videos and
10 other items, for the purpose of technical
11 training of individual health care profes-
12 sionals on the effective use of a covered
13 drug, device, biological, or medical supply.

14 “(x) Royalties and licensing fees paid
15 to health care providers in return for con-
16 tractual rights to use or purchase a pat-
17 ented or otherwise legally recognized dis-
18 covery for which the health care provider
19 holds an ownership right.

20 “(xi) Other reasonable fees, payments,
21 subsidies, or other economic benefits pro-
22 vided by an applicable manufacturer of
23 covered drugs, devices, biologicals, or med-
24 ical supplies at fair market value.

1 “(xii) Samples of a covered drug, de-
2 vice, biological, or medical supply provided
3 to a health care provider for free distribu-
4 tion to patients.

5 “(xiii) The provision of reasonable
6 quantities of medical device demonstration
7 or evaluation units to a health care pro-
8 vider to assess the appropriate use and
9 function of the product and determine
10 whether and when to use or recommend
11 the product in the future.

12 “(xiv) The provision, distribution, dis-
13 semination, or receipt of peer-reviewed aca-
14 demic, scientific, or clinical articles or jour-
15 nals and other items that serve a genuine
16 educational function provided to a health
17 care provider for the benefit of patients.

18 “(xv) Scholarship or other support for
19 medical students, residents, and fellows to
20 attend a significant educational, scientific,
21 or policy-making conference or seminar of
22 a national, regional, or specialty medical or
23 other professional association if the recipi-
24 ent of the scholarship or other support is
25 selected by the association.

1 “(xvi) Rebates and discounts for cov-
2 ered drugs, devices, biologicals, or medical
3 supplies provided in the normal course of
4 business.

5 “(xvii) Labels approved by the federal
6 Food and Drug Administration for covered
7 drugs, devices, biologicals, or medical sup-
8 plies.

9 “(3) OTHER DEFINITIONS.—For purposes of
10 this subsection:

11 “(A) BONA FIDE CLINICAL TRIAL.—The
12 term ‘bona fide clinical trial’ means a clinical
13 trial that has been reviewed by the Food and
14 Drug Administration, that constitutes “re-
15 search” as such term is defined in section
16 46.102 of title 45 of the Code of Federal Regu-
17 lations, and that reasonably can be considered
18 to be of interest to scientists or health care pro-
19 fessionals working in the particular field of in-
20 quiry.

21 “(B) CLINICAL TRIAL.—The term ‘clinical
22 trial’ means any study assessing the safety or
23 efficacy of covered drugs, devices, biologicals, or
24 medical supplies administered alone or in com-
25 bination with other covered drugs, devices,

1 biologicals, or medical supplies or other thera-
2 pies, or assessing the relative safety or efficacy
3 of covered drugs, devices, biologicals, or medical
4 supplies in comparison with other covered
5 drugs, devices, biologicals, or medical supplies
6 or other therapies.

7 “(C) SIGNIFICANT EDUCATIONAL, SCI-
8 ENTIFIC, OR POLICY-MAKING CONFERENCE OR
9 SEMINAR.—The term ‘significant educational,
10 scientific, or policy-making conference or sem-
11 inar’ means an educational, scientific, or policy-
12 making conference or seminar that—

13 “(i) is accredited by the Accreditation
14 Council for Continuing Medical Education
15 or a comparable organization; and

16 “(ii) offers continuing medical edu-
17 cation credit, features multiple presenters
18 on scientific research, or is authorized by
19 the sponsoring association to recommend
20 or make policy.

21 “(4) CLARIFICATION.—Nothing in this sub-
22 section shall preclude the disclosure or reporting re-
23 quirements under this section for those items not
24 subject to paragraph (1).”
